2011 Charlevoix Concert Series lineup announced

Evening performances in East Park provide something for everyone

The Charlevoix Downtown Development Authority (DDA) is pleased to announce the 2011 Charlevoix Concert Series schedule. The Concert Series offers a wide variety of musical entertainment from late June to early September.

The Concert Series continues its original Thursday evening format, with several exceptions for special engagement performances. Concerts begin at 7:00 p.m. and attendees can expect to enjoy roughly 90 minutes of top quality entertainment in one of Michigan's most unique outdoor performance venues – the Odmark Performance Pavilion in Downtown Charlevoix's beautiful East Park.

“Over the years, we've been fortunate to feature some very talented performers and this summer is no different. The 2011 slate includes local favorites like the Petoskey Steel Drum Band and international performers such as the Vlaggendansgroep Symbolica flag waving dance company from Genk, Belgium,” said Keith Carey, executive director of the Charlevoix Downtown Development Authority (DDA). “Our goal is to offer something for everyone and this year's schedule reflects that priority.”

More information on the Charlevoix Concert Series is available on the DDA's website by clicking www.DowntownCharlevoix.com.
