Charlevoix DDA announces continuation of Community Hosts

Program provides information and welcoming atmosphere for visitors

The Charlevoix Downtown Development Authority (DDA) has announced its Community Host program will return this summer for its second year. The Community Host program seeks knowledgeable local volunteers wishing to make certain guests enjoy the very best experience possible while visiting Charlevoix and its environs. Hosts provide information to visitors and residents alike on local special events, dining, shopping, rentals, activities, parking, and many other areas.

The program is currently seeking volunteer hosts for this upcoming summer. Hosts are expected to be friendly, knowledgeable, helpful, courteous and dependable. Hosts are asked to commit to a 3-hour shift which includes strolling the streets of Downtown Charlevoix interacting with visitors and offering assistance when necessary. There is no limit on the number of shifts a host may work.

New to this year's program is a rewards system which offers discounts at area shops, restaurants and golf courses to qualified hosts.

Individuals wishing to serve as Community Hosts or who seek additional information are encouraged to contact Lauren Bradley by calling 231.547.3270 or emailing laurenb@cityofcharlevoix.org or Keith Carey by calling 231.547.3257 or emailing kcarey@cityofcharlevoix.org.
