

The Locals' Guide to Downtown Charlevoix

- DON'T MISS THE BRIDGE!** One of our most unique attractions – the drawbridge – raises on the hour and half hour from June through August. The clanging bells signal its impending opening so hustle down to see the parade of gleaming boats entering and exiting Round Lake. And don't forget to shut your vehicle off if you're waiting in your car – Charlevoix is an idle-free downtown!
- EARL YOUNG HOMES: CHARLEVOIX'S MUSHROOM MANORS** Earl Young (1889-1975) was the architect and builder of Charlevoix's famous "mushroom houses." Young began construction of several of these unique stone houses in the late 1930s and ultimately built over two dozen structures, a number of which are located a short walk from Downtown.
- CROSSING BRIDGE STREET** Bridge Street can get rather busy during the summer months, thus we suggest you utilize our marked crosswalks and Under-Bridge Walkway. You can cross at your leisure and the Under-Bridge Walkway also provides a unique perspective of our drawbridge.
- BE OUR GUEST!** Need a suggestion for a fun day activity? How about directions to one of our area's many attractions? Let our Charlevoix Community Host program assist! On select weekends throughout the summer, you'll note our red-clad Charlevoix Community Hosts welcoming visitors to our downtown by offering helpful tips, suggested outings and everything in between. Just ask!
